

- ii. With new rate grad and undergrad students must make up the difference to full time rate. It needs to be noted it is the same final rate, even if some are

needs to be made clear to graduate students so they do not feel unwelcome.
- iii. Grad student full time definition is 9 credits, but PASSHE reporting requires the fee to be spread out to 12 credits.
- iv. Pucillo access does not solve the issue. Hours are too limited.
- v. One proposal is to charge all students full rate up to 9 credits.
- vi. Another idea is to include supplement charge as a benefit to GAs.
- vii. With the new tuition model, difficult to define full time
