

What is the Philly Urban Seminar?

Millersville University students have the opportunity to work with a classroom for 10 full days in a Philadelphia school. All ages and all content areas are possible.

There will be seminar meetings with the other universities that are in attendance, and meetings held just with the Millersville students.

There will be professional development meetings where different groups come in to talk about their experience working/going to school in Philadelphia.

Applications are available at:
millersville.edu/edfoundations/philadelphiaimmersion.php

Due March 13

Contact Tim Mahoney with any questions:
