---

President Anderson discussed the weather’s impact on campus safety and class schedules, state budget funds in place currently, and upcoming work of the Strategic Advisory Council. MU interest in working with Millersville Borough and the state to open an additional public road approach to ease campus access was noted.

---

Provost Prabu encouraged faculty to address ways to making up course work missed due to weather. Further discussion highlighted confusion about classes starting in the middle of schedule sessions and the need for communication about plans and expectations. MU Video or screen capture were noted as mechanisms for students to interact with missed content. The CAE will be holding a session this semester on using the MU Video resource. Dr. Prabhu also highlighted that the Honors College is hosting a conference on disabilities March 28 and the CAE has a March 1 session on enhancing accessibility of online content.

---

Associate Provost Adams highlighted an on-campus meet and greet session with Dr. Marie Norman February 25 at noon and the Made in Millersville event featuring student presentations.

---

Dean Umble announced an exhibit by Professor Robert Andriulli of Art & Design at the Winter Center Gallery and upcoming theater performances of *Rabbit Hole*. The value of faculty encouraging students to attend cultural events on campus was noted.
