**Provost**

Provost Prabhu was asked to consider having the Educator of the Year on the platform for better visibility during graduation and will speak to the organizing committee. There was also a suggestion of more ways to have faculty participate in the graduation ceremony. A question of providing some sort of monetary award for Educator of the Year was raised. Such a gift would have to be raised from private funds. Dr. Prabhu recommended establishing an endowment that would provide a consistent award rather than the suggested of an annually collected donation. Concern was raised about the WiFi whitelist limitation to university-
