## GERC

Senator Baker noted that since some departments may now offer courses in more than one General Education block, GERC will propose expansion of the limitation that students may count no more than two courses from a single department to apply across all G1/G2/G3 areas.

## EYASC

Senator Robinson noted that the call for nominations for the Educator of the Year Award has gone out but later than usual. A Saunders/Goksu motion that the EYA Selection Committee consider 2016-17 nominees, after confirming their interest, along with new nominations for the 2017-18 award was approved without dissent.

Faculty were reminded that pre-requisites are not enforced for summer registrations. This is due to more transient students taking summer courses. Concerns were raised about the value of departments checking all enrollments manually versus encouraging non-MU students to contact instructors directly for approval to enroll.

Meeting was adjourned at 5:30 p.m.

Respectfully Submitted,

Aimee L. Miller
Faculty Senate Secretary
