

Healthcare costs in the U.S. are very expensive. Carefully consider the insurance coverage you feel is best to fit your medical, dental, prescription, and vision care needs. There are many health/medical insurance companies that offer international students which will provide you with the required minimum coverage.

- Medical benefits of at least \$100,000 per accident or illness
- A deductible not to exceed \$500 per accident or illness

If you plan to arrive earlier or stay longer once classes end, ensure that you have coverage for the time that you are in the U.S. Use in the MU's academic calendar: Academic Year, Fall Semester, Spring Semester, or Calendar Year

Below are the recommended health insurance plans. All meet the required coverage. If you select a different health insurance plan or provider, see below for waiver requirements.

_____ (ONLY for graduates)

International student athletes and students participating in intramural or
