**Administrative Policy
Issuance of No Trespass Orders to Non-Affiliated Individuals Policy**

Approved

President's Cabinet

Purpose

This policy establishes the standards and process that is to be applied when Millersville University of Pennsylvania (the "University") considers whether to issue a No Trespass Order to an individual who is not affiliated with the University (Non-Affiliated Individual).

Scope

This policy applies to individuals who are not affiliated with the University either as a student or an employee, including University alumni, and addresses conduct of these individuals on all property owned or controlled by the University.

Objective

The objective of this policy is to ensure a productive, safe, and secure environment for all members of the University community. The University retains the right to restrict access to any Non-Affiliated Individual who violates University policy, local ordinance, or public law; presents a threat or danger to University property, self, or any member of the University community; or engages in conduct that disrupts

Policy

The University understands that as a public institution of higher education parts of its campus are open to the general public. The University, however, endeavors to provide and maintain a productive, safe, and secure educational, working, and living environment for all members of the University community.

As a condition to access University property, members of the general public assume an obligation to conduct themselves in a manner compatible with University policies, local ordinances, and public laws. A Non-Affiliated Individual may be issued a No Trespass Order excluding the individual from University property if the individual engages in conduct that:

- (1) Is determined to present a threat or danger to University property, self, or any member of the University community.
- (2) Disrupts the University educational, working, and living environment.
- (3) Unreasonably disrupts or interferes with the educational, working, and living environment of the University.
- (4) Gains entry through surreptitious means or breaking and entering.

The following areas are not open to Non-Affiliated Individuals without permission from a University official: ^{1 and 2}

- (1) Academic/research classrooms and laboratories.
- (2) University io
