

# Online Master of Education in English

## PROGRAM OVERVIEW

The Master of Education degree program in English is designed to strengthen teaching skills and content knowledge to support continued work in education. The English M.Ed. is designed to strengthen professional skills within and beyond education. The English M.Ed. enhances the student's intellectual and aesthetic life through intense study of education theory, literature, writing studies, literary theory, film studies and linguistics. The Master of Education degree program may be completed fully face-to-face, fully online or a combination of both face-to-face and online.

Earning a Master of Education degree in English at Millersville University can build your educational leadership skills, hone your writing skills, strengthen your analytical abilities and sharpen your research skills. An M.Ed. degree can help you enhance your current teaching career or change careers within education (curriculum design and other district-level positions). The English M.Ed. cultivates curiosity, flexibility and creativity as mindset approaches to support you as you develop writing skills, teaching skills and content knowledge. These mindset values, along with the skills obtained throughout a master's degree, strengthen your impact in the field of teaching.
